**DO YOU LIKE TO CARVE WOOD
AND TURN IT INTO A MASTER-
PIECE, THEN LISTEN TO THIS!!!!**

Ron Collins has perfected the art or Woodcarving!!! Ron brought some of his hand carved birds to the Little Farm on the River Campout the weekend of Aug. 12th, 13th, 14th. They were exquisite and breathtaking, and you will want to learn his technique. So, Ron has offered to teach us how to start to learn to accomplish this skill.

If there are enough people interested, Ron will offer lessons at the campouts. This will give some options of different activities when camping with the group.

If this interests you give Ron a call @ 859-384-2799, or e-mail him @ RonCollinsRVer@aol.com Ron will love to show you, and you will have a great time, and something to showoff!!

SUNSHINE REPORT

BETTY SIMPKIN IS DOING VERY WELL AND HEALING!!

Dick Simpkin reported to me that Betty is doing well and has graduated from walker to a cane. Her broken hip was probably caused by her dizziness, which the Doctor is now treating

Both Betty and Dick are looking forward to taking a RV trip after Labor Day to Maryland to visit their Son. God Bless Betty, and speedy recovery. Bon Voyage on your trip to you both!!!!!!
