Back Home: We arrived home the night of the snow storm followed by the ice! What a welcome! We did have some pleasant weather in Texas after leaving New Mexico although none of it was "shirt sleeve" weather. At Fredericksburg, a quaint German town in the hill country of Texas, we visited the National Museum of the Pacific War. It was very well done and of particular interest to those of us who can remember WWII. Other touristy things we did on the way home was visit

the LBJ State and National Park, McDonald Observatory at Ft. Davis, and the Clinton Presidential Library in Little Rock.

February Luncheon: I know everyone who attended the February luncheon at the Bella Luna had a great time. Ron Collins stated that the food was outstanding and everyone remarked about it. A big applause goes to the Frambes and the Meisers who made the arrangements and hosted the luncheon. I'm looking forward to seeing everyone at Riley's Restaurant in March. Thanks to Peach Brinker and Della Vickery for doing the Club Minutes for me.

News from River City

Travelers: From the looks of Vicki's photos, evidently the Webb's, Verne and Karl are having a fine time in Florida. Verne writes that she'll be in Florida until Tuesday or Wednesday. She hopes

to be at the March luncheon and be in town for Easter. Vicki and Vern Webb are in Okeechobee about 6 miles from Verne and Karl. Henry and Esther Mueller joined the rest of them in early February for lunch and fishing.

Ben & Yvonne Hart visited Cape Canaveral where they were able to watch the shuttle launch from the VIP section. They've been to Disney World and report that the weather

has been great. Sue and John Neeb have been enjoying the month of February at a very nice new campground for them in New Braunfels, TX, right in the heart of the Texas Hill Country. Lillian and John Wake are on their way to Florida where they will enjoy the warm weather for a couple weeks.

Website: If you haven't recently checked out the River City Winnies new website at <http://rivercitywinnies.org>, you've just got to see the gorgeous photos that are on it now. It gives great ideas for "must see" places on your travels. By the way, you don't have to wait for this Newsletter to get information. Most everything here plus more is posted on the website or the Discussion Group. Thanks again Ron and Mary, for your hard work in getting River City Winnies to the 21st Century on the internet.

Discussion Group: You are invited to join the River City Winnies Yahoo discussion group. Contact moderator Mary Meiser at mbm91703@aol.com for more information if you haven't received an invitation to join. Three more members have joined in 2008.

February Birthdays: Congratulations to Mary Jane Adams, Ron and Lucy Collins, Sally Grayum, and Sheila Vilkoski who celebrated birthdays in February!

February Valentine: The Frambes got a special Valentine this year. Eliana, their twelfth grandchild, arrived on Valentine's Day weighing in at 8 lbs. 13 ozs. and 21 inches long. Congratulations! Bill says she is sOOOOO CUTE!

Sunshine Committee: Please keep the Kaisers in your prayers. Mary was supposed to have more jaw surgery. Linda Griswold had knee surgery in February and is doing well. Jeanne Riehm twisted her knee delaying travel plans. Contact Lillian Wake if you know of someone who is under the weather.

Contributions for the Newsletter: We would welcome any news and photos from all of you who have fled the Greater Cincinnati area and its unpredictable weather. Let us know where you are, what you are doing, and when you plan to head back north. Please send it by e-mail hallbetsy@hotmail.com or write it down and mark that it is for the Newsletter.

Needed: Joan Peskin reports that Wagon Masters are still needed for September and October.
